

from the requester (or his or her representative) to try to obtain the records on his or her behalf.

(d) In certain circumstances, the Secretary may require additional medical records to make a determination that a covered injury was sustained (e.g., medical records prior to the date of vaccination or accidental vaccinia exposure) or may determine that certain records described in paragraph (a) of this section are not necessary for an eligibility determination (e.g., records that are duplicative of other records submitted). If the Program requests additional medical records (or information) from a requester's health care practitioner, then the requester may use a release form in order to have the medical records sent directly to the Program.

§ 102.51 Documentation a smallpox vaccine recipient must submit to be deemed eligible by the Secretary.

(a) A smallpox vaccine recipient must submit the following documentation in order to be deemed eligible by the Secretary:

(1) A completed (to the fullest extent possible) and signed Request Form.

(2) Documentation demonstrating that the requester:

(i) Is a health care worker, law enforcement officer, firefighter, security personnel, emergency medical personnel, other public safety personnel, or support personnel for such occupational specialties who has volunteered and been selected to be a member of a smallpox emergency response plan prior to the time at which the Secretary publicly announces that an active case of smallpox has been identified within or outside of the United States and that the requester is or will be functioning in a role identified in a smallpox emergency response plan; and

(ii) Was administered a smallpox vaccine pursuant to an approved smallpox emergency response plan during the effective period of the Declaration.

(3) If the requester's injury relates to the administration of cidofovir or its derivatives or Vaccinia Immune Globulin, and not the smallpox vaccine, documentation demonstrating that the requester was administered such a cov-

ered countermeasure during the effective period of the Declaration.

(4) Medical records sufficient to demonstrate that the requester sustained a covered injury, as described in § 102.3(g), in accordance with the requirements set forth in § 102.50.

(b) As an alternative to the documentation described in paragraphs (a)(2)(i)–(ii) of this section (documentation concerning a vaccine recipient's participation in, and receipt of the smallpox vaccine under, an approved smallpox emergency response plan), a requester may submit a certification, by a Federal, State, or local government entity or private health care entity participating in the administration of covered countermeasures through a smallpox emergency response plan, that the requester is a person described in § 102.3(x)(1)–(3) (a person meeting the definition of a smallpox vaccine recipient, except for the requirement that the person sustained a covered injury). A certification form that may be used for this purpose is available from the Program.

§ 102.52 Documentation a vaccinia contact must submit to be deemed eligible by the Secretary.

A requester who is a vaccinia contact must submit the following documentation in order to be deemed eligible by the Secretary:

(a) A completed (to the fullest extent possible) and signed Request Form;

(b) Documentation identifying the individual who was the source of the accidental vaccinia inoculation. This documentation must demonstrate that the source of the vaccinia was an individual described in § 102.3(x)(1)–(3) (a person meeting the definition of a smallpox vaccine recipient, except for the requirement that the person sustained a covered injury) or an individual who was accidentally inoculated by an individual described in § 102.3(x)(1)–(3) (a person meeting the definition of a smallpox vaccine recipient, except for the requirement that the person sustained a covered injury). If the requester is unable to provide the identity of the person who was the source of the accidental exposure, he or
